

Mental Health Law in a Nutshell (Paperback)

By John Myers

West Academic, United States, 2016. Paperback. Condition: New. New. Language: English. Brand new Book. Mental health law is a unique body of statutory and case law intended to protect and assist citizens with mental illness. This Nutshell describes this important field of law. Mental illness and intellectual disability (formerly called mental retardation) impact 20% of Americans, and have enormous personal, legal, and policy implications for patients, families, and society. This Nutshell introduces you to the broad range of criminal and civil issues in mental health law, including diagnosis of mental illness; expert testimony on mental health issues; civil commitment; competence to stand trial; the insanity defense; various competencies; ethical/legal issues facing mental health professionals, including informed consent, confidentiality, privilege, and malpractice; discrimination against persons with mental illness; financial and medical benefits for disabled persons.

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer compose this pdf.
-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.
